UNITAS XVII

UNITAS IS THE ANNUAL U.S.—SOUTH AMERICAN JOINT NAVAL EXERCISE HELD IN THE SUMMER AND FALL. IN THE BICENTENNIAL YEAR, VP-45 WAS SELECTED TO REPRESENT THE PATROL COMMUNITY. SINCE UNITAS IS THE MOST IMPORTANT NAVAL EXERCISE FOR MOST SOUTH AMERICAN NAVIES, SUBSTANTIAL NUMBERS OF MEN, SHIPS AND AIRCRAFT WERE COMMITTED TO MAKING IT A SUCCESS. THE TASK FORCE COMMANDER WAS RADM J.A. SAGERHOLM, USCOMSOLANT. OTHER U. S. PARTICIPANTS INCLUDED USS MACDONOUGH (DDG-39), USS DAVIS (DD-937), USS THOMAS C. HART (FF-1092) AND USS GATO (SSN-615).

UNITAS XVII

1. ON THE DEPARTURE OF PATROL SQUADRON FORTY-FIVE DETACHMENT UNITS FROM CTF 138, I EXTEND MY COMPLIMENTS ON THE SPLENDID PERFORMANCE OF YOUR UNITAS DETACHMENTS AND MY SINCEREST APPRECIATION FOR YOUR OUTSTANDING SUPPORT THROUGHOUT THE DEPLOYMENT. PATROL SQUADRON FORTY-FIVE FLIGHT CREWS WERE WELL TRAINED AND HIGHLY PROFESSIONAL, AND WERE MOST ABLY SUPPORTED BY THEIR MAINTENANCE PERSONNEL, AS REFLECTED BY THE HIGH LEVEL OF AIRCRAFT AVAILABILITY. YOUR MEN WERE EXEMPLARY REPRESENTATIVES OF PROFESSIONAL ASW AIRMEN AS WELL AS BEING EXCELLENT AMBASSADORS OF GOOD WILL ABROAD. THEIR ENTHUSIASTIC PARTICIPATION IN EVERY ASPECT OF DIRECT SUPPORT TO THE TASK FORCE CONTRIBUTED IMMEASURABLY TO THE SUCCESS OF UNITAS XVII. MY CONGRATULATIONS TO AN OUTSTANDING SQUADRON FOR A JOB WELL DONE.

A cruisebook historically attempts to photograph the lives and attitudes of the squadron throughout the duration of the deployment or deployments, and this staff has devoted many long, hard hours to that end. For those who have been inadvertently left out of this book, we can only say that your omission was unintentional and undesired, for you have contributed as much and have endured as long as every other man and woman in this squadron. In the end, Patrol Squadron FORTY-FIVE is only people, but damn fine people who have consistently given that extra effort over and above that which was required, often without reward or well-deserved thanks, and have made this squadron what it is. To you, we dedicate this book. We have attempted to capture and preserve a bit of that characteristic called human nature. If any idols have fallen, recruiting catalogs are always available.

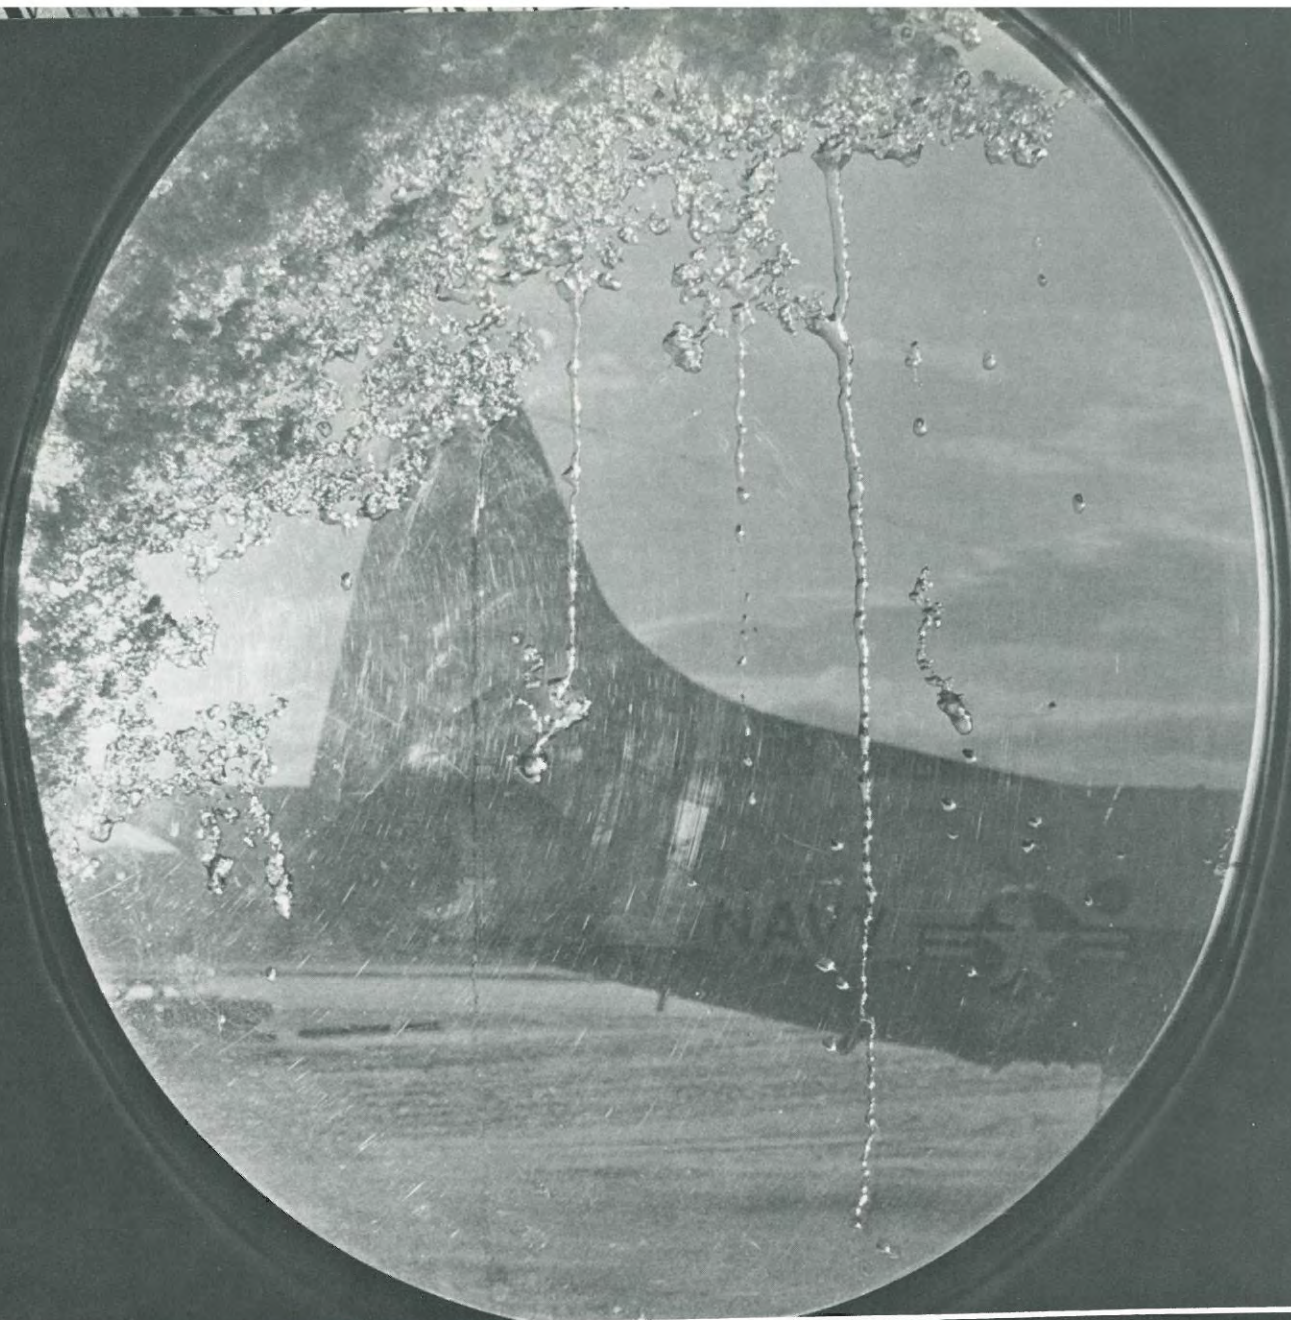

R.A.R.

In the year we were supposed to have it easy
we were operational 10 out of 12 months.
From the Pacific shores of Chile to the Norwegian Sea . . .
We were there.
The airplanes flew and maintenance maintained
While the paper factory upstairs spewed forth its endless flood
Day in and day out
Work and sweat . . . counting the minutes . . . the hours . . . the days . . .
Correcting the mistakes
and learning not to make them again.

Each of us has asked himself
"Is it worth it?"
Why is it we dedicate ourselves
to the maintenance of a governmental system
that allows a disproportionate amount
of the population to enjoy or abuse
the benefits of our heritage
as it sees fit . . .

Some of us have found the answer
Some of us never will.

We were there.

We were Patrol Squadron FORTY-FIVE.

Four hundred individuals bound by a common goal

Freedom for all mankind.

Those who have never faced the challenge . . .

the reality . . . the loneliness

will never understand.

For who knows better the price of peace

than those who are willing to give their lives for it . . .
